Dear Parents:

On Thursday, September 22nd Canalta will be hosting the first in a series of races for elementary schools in Dawson Creek. If your child is interested in participating they are welcome to pick and choose which events they race in.

All your child needs for the race is a pair of running shoes and a good attitude 😊

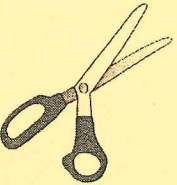

It is the responsibility of parents to get students to the above mentioned races.

Please detach the form below if you give permission for your child to participate in the Canalta race on Thursday, September 29th at 3:30.

I will supervise the runners as I set up for the race but parents will be required to pick up students shortly after 4:00 p.m. Also a snack and a drink will be provided for all runners.

Please call me if you have any questions.

Wanda McIntyre

I give permission for my child _____

to participate in the Cross Country race at Canalta, on Thursday, September 22 at 3:30 p.m. I understand that my child may stay at the school until the race begins, under Mrs. McIntyre's supervision.
