

DAWSON CREEK ELEMENTARY CURLING

CHANGES TO THE 2017-18 SEASON

Dear Schools, Parents & Students:

Unfortunately, the start of the Elementary Curling League has been delayed due to the renovations of the ice pad at the curling rink. The Elementary Curling Committee is still eager to organize an elementary curling league; however, the season will be delayed until the end of November. Taking the delay into consideration, the committee has decided to run the elementary league to mid-March.

With this change, the committee has decided to change the annual bonspiel which is usually held at the end of the season to a “Hot Shots Fun Day” to be held on the last Thursday prior to spring break.

Please see the attached poster for more details about registration and information about the curling season. If you have questions, please feel free to contact the following committee members:

Richell Schwartz – 784-6337; (rschwartz@sd59.bc.ca)

Shannon Anderson – 782-5206; (sanderson@sd59.bc.ca)
