Getting Grade 7's ready for Grade 8 2019 - 2020

Hello and a warm welcome to our soon-to-be Grade 8s and parents/guardians. ☺

Hard to believe that Grade 7 is almost over, and that it's time to think about the next grade and moving to a new school. We are excited to meet you and help you get ready for your move to DCSS Central Campus. One of our goals is to keep you informed of what's coming up before July and about 2019-20. Both DCSS and Grade 8 information will be sent home soon.

The transition plan over the next two months involves us coming to your school, then you coming to us to spend time at Central Campus, first with your Gr. 7 peers and second, if possible, with your parents for an open house evening. We will have some schools come additional times.

Central Campus staff & students' visit to meet Gr. 7 students

Monday, May 6 ~ 9:00 - 11:00am @ Canalta

We will share information about the Grade 8 Program and Central Campus. A group of Gr. 8 students will be there with staff. They will definitely make time to answer questions and to have Grade 7's practice with locks. *An Information package will go home with each student. There will be forms to fill out and please return back to your current school. We will receive them in July.

Grade 7's visit to Central Campus

Wednesday, May 16 ~ 9:00- 12:00pm

The morning will be → Get-to-know each other activities, Grade 7's meeting each other, hanging out during our 10-minute Break with Central students AND touring around Central Campus get to know where places are and what we offer students. Your school will organize transportation to/from CC.

Grade 7 parent/student Information Night (Gr 8 & Central Campus)

Monday, June 10 ~ 6:30 - 8:00pm in our Concession, Coyote Rock Café

Parents & students will have the opportunity to meet the Principal, Vice-Principal and Central teachers who are able to come out. The evening = Presentation, Q & A, handouts & tours around the Campus.

We look forward to seeing you soon.

Diana Lindstrom
Principal
