

June 5, 2017

Dear Principals, Teachers, and School-Librarians,

We invite your students to join the 2017 Dawson Creek Public Library / BC Summer Reading Club: Walk on the Wildside. The Summer Reading Club is FREE and starts at the Dawson Creek Public Library on July 4th. Students receive a reading record to help keep track of their summer reading fun.

As you know, regular reading over the summer helps children to maintain or improve reading skills. Voluntary reading is key to making reading habitual and in the Summer Reading Club, children choose what they read. They also have the opportunity to participate in fun library activities with a "Wildlife" theme and win great prizes over the summer.

We hope you will encourage your students to join the Summer Reading Club.

For resources and more information about the BC SRC, please visit the library's website at <http://dawsoncreek.bc.libraries.coop/>, the BC SRC staff website (<http://kidssrc.libraries.coop/>) or the BC SRC Kids' website (www.bcsrc.ca).

The Dawson Creek Public Library is sponsoring the BC SRC, in cooperation with the British Columbia Library Association, with funding from the Libraries Branch, BC Ministry of Education, and the RBC Foundation. We are also pleased to be funded locally by North Peace Savings and Credit Union. Thank you for helping to make this year's BC Summer Reading Club a success in our community!

Sincerely,

Pamela Morris
Children's Librarian
Dawson Creek Municipal Public Library
