

Moberly Lake Summer Camps

Excellent opportunities to experience a week of camp. Activities for sessions are designed to fit the age of campers. Campers in K-sessions may select the classic schedule or special tracks. Track information is available on our website.

Activities options include: pelletry, archery, zip line, climbing wall, canoeing, kayaking, sailing, swimming, knee-boarding, outdoor living, guitar lessons, drama, wide games, crafts, and more.

Daily chapels and discoveries are part of all our camps. Our teaching style reflects that we respect individual choice in the area of faith.

Adventure Trips

A very different style of camping, as it involves the opportunity to discover the wilderness around us. Hiking, canoeing, climbing, fishing and discovery.

Which type of trip grabs your attention? See our website for more information.

Reconnaissance trips are done before sessions. Trips led by experienced and qualified staff. Come with friends as trips require a minimum number.

Sagitawa Trail Rides

Swing that leg over the saddle and follow along as we explore another trail with breathtaking ridges, streams and valleys. We accept riders of all abilities.

Horses are great animals. It's lots of fun to spend time around them or to sit up high in the saddle. A week in a tepee with 6 campers and your leader makes for a great memory.

Enjoy a fine breakfast, do a few chores, learn about horses and tack, and try out a new trail. Lunch may be served on the trail or at camp where we will enjoy more great activities: swimming, wide games, crafts, camp fires, fun chapels and special discovery opportunities.

High Prairie Wilderness Camp

This is our Alberta site, located in the hills by the Little Smokey River, AB. Experience God's creation in a new and exciting way, with miles of trails for horseback riding.

Enjoy the awesome food, fun games, campfires and friendly, enthusiastic leaders. An unforgettable experience!

All sessions are suitable for riders of all abilities, even if you've never ridden a horse. HPWC prints their own brochure and will be receiving registrations directly. Links to this information are available on our website.

Dear Parents...

Our caring Board and staff work hard towards integrity, excellence and safety in our staff training and camp programs.

Sagitawa Christian Camping Society is both non-profit and interdenominational. Donations cover about 50% of the camp fees. Most of our funding for operations, comes from generous individual donors, member churches and facility rentals.

We teach the application of biblical Christianity to the whole life. We support family, and moral and spiritual values by building good mentoring relationships in a recreational environment.

We value your input and look forward to meeting you and your family.

Gary Pryzner
