## “Let Reading Taking You Places” Reading Incentive Program

The students are very excited about the library home reading program. Students from 8 classes are participating and 14 students so far have completed their first reading log. Students are to bring their completed log to the library on Monday and Thursdays at recess to claim a prize and put their quad up on our outdoor scene. Way to go everyone! Keep on reading!

## Library Open at Recess

The library is open Monday and Thursdays at recess for those students who would like to come in and curl up with a good book.

## Library Orientation

In the second and third week of school 10 classes, 238 students, came to the library for orientation. Intermediate students completed a scavenger hunt where they learned how to use the computer catalogue to find a book, located books in three different sections of the library and compared call numbers in each section. The younger students looked for clues left by the gingerbread man to tour the library.
