#### Description:

The Province of British Columbia (The Tobacco and Vapour Products Control Act and Regulation, September 1, 2016 , The Cannabis Control and Licensing Act (Bill 30), 2018 and The BC Cannabis Control Regulation Act, October 5, 2018), together with the Board of Education believes that tobacco, vapour product<sup>1</sup> and cannabis/cannais product use are addictive practices and that the use of tobacco, vapour product<sup>1</sup> and cannabis/cannais product in the school and work environment are not appropriate practices toward supporting good health. The Board therefore bans smoking and the use of tobacco, vapour products and cannabis/cannais products in all its forms, from District premises, property and vehicles. This is to include vehicles parked on school district property.

The exception to this policy is for the ceremonial use of tobacco where the activity has been approved by the Board, and the ceremony is performed in relation to a traditional aboriginal cultural activity, or performed by a group for a purpose approved by government regulation.

<sup>1</sup> Vapour Products means the following:

- an e-cigarette;
- an e-substance;
- a cartridge for or a component of an e-cigarette
